

MY NURSING CARE PLAN

BEING A LIFELONG LEARNER IN NURSING

Use this quick care plan to make sure you are on the right track to meet your goals!

1 ASSESSMENT

- Is it time for me to go back to school?
- Should I get certified in a specialty?
- Which professional nursing organization(s) should I join?

2 NURSING DIAGNOSIS

Readiness for enhanced knowledge related to striving to provide evidence-based nursing care.

3 PLANNING

- Explore BSN and advanced degree programs.
- Investigate specialty certification opportunities.
- Consider which professional organizations would be a good fit for me.

4 IMPLEMENTATION

- Apply to a nursing program that meets my educational needs and goals.
- Get certified!
- Join and get involved with a professional nursing organization. Take advantage of related benefits and consider joining a committee or leadership position.

5 EVALUATION

Revisit this care plan throughout the year and fill this in. Ongoing evaluation and revisions are key components to meeting my goals.
