# Liability Associated with Disaster Emergency Response: Direct Care
## Answer Sheet – Test Code: LADC0518b

**Instructions:** After viewing the presentation or reading the learning materials associated with this activity, complete the posttest by filling out the Answer Sheet. Please select the best answer to each multiple choice question. There is only one correct answer. You must achieve 70% to pass.

**Please complete Part 1: Enrollment** to provide essential information to create your educational record and to report to licensing boards (if applicable). Your site coordinator will provide you with the facility ID and your user name. Then complete **Part 2: Test Answers** by darkening one circle to indicate the correct response to each question. You are also required to provide feedback by completing **Part 3: Evaluation**. After completing this form, please return it to your site coordinator to have your test submitted for processing. Results will be sent to the site coordinator within 4 weeks of submission.

## Part 1: Enrollment

Last Name_____First Name_____

User Name_____

Facility Name_____

**Role:**    Allied Health: ❑ RD  ❑PT  ❑OT  ❑RT ❑SW ❑Other          Nursing: ❑CNA ❑LPN/LVN ❑RN ❑Other
❑ Non-clinical support role. Please specify your job title: _____

**License:** All District of Columbia and Georgia nurses, please provide license information for reporting to CE Broker.
State of license (1)_____License #_____License Type_____(abbreviation)
State of license (2)_____License #_____License Type_____(abbreviation)

## Part 2: Test Answers
Darken one circle for your answer to each question.

| | A | B | C | | A | B | C | | A | B | C |
|---|---|---|---|---|---|---|---|---|---|---|---|
| **1.** | ○ | ○ | ○ | **5.** | ○ | ○ | ○ | **9.** | ○ | ○ | ○ |
| **2.** | ○ | ○ | ○ | **6.** | ○ | ○ | ○ | **10.** | ○ | ○ | ○ |
| **3** | ○ | ○ | ○ | **7** | ○ | ○ | ○ | | | | |
| **4.** | ○ | ○ | ○ | **8.** | ○ | ○ | ○ | | | | |

## Part 3: Course Evaluation – Test Code: LADC0518b

1.  Rate to what extent you were able to meet Objective 1: Identify what types of disasters that can affect the health care industry. (1- lowest, 5- highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

2.  Rate to what extent you were able to meet Objective 2: Define your role in a disaster situation. (1- lowest, 5-highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

3.  Rate to what extent you were able to meet Objective 3: Explain the liability associated with responding to a disaster. (1- lowest, 5- highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

4.  Rate to what extent did the program content relate to the learning objectives? (1 lowest, 5-highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

5.  Rate the effectiveness of the independent study learning method. (1- lowest, 5-highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

6.  Rate the contribution of this course to your overall knowledge of the subject. (1, lowest, 5-highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

7.  Rate your overall degree of satisfaction with this course. (1- lowest, 5- highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

8.  Rate the degree that you believe this course was objective and free from bias. (1, lowest, 5-highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

9.  Rate your level of expertise in this subject prior to this course. (1- lowest, 5- highest)
    ☐ 1          ☐ 2          ☐ 3          ☐ 4          ☐ 5

10. Rate the educational level of the content.
    ☐ Basic
    ☐ Intermediate
    ☐ Advanced

11. Comments: _____
    _____

12. What future topics would you like to see offered for CE?
    _____
    _____

**Posttest**
**— Retain test below for your records. Only submit answer sheet and evaluation for processing —**

**General Purpose:** To provide the direct care givers in long-term care settings with information about emergency disaster preparedness.

**Learning Objectives:** After completing this educational activity and taking the post-test, you should be able to:
1. Identify what types of disasters that can affect the health care industry.
2. Define your role in a disaster situation.
3. Explain the liability associated with responding to a disaster.

1. **Which is the easiest and most effective way to navigate when responding to an emergency in the health care setting**
   A. Knowing who to contact
   B. Knowing the exits for the unit
   C. Knowing the mobility of the patients.

2. **Which is the priority resource for the nurse to activate when faced with an emergency situation in which collaborating with co-workers is not an option?**
   A. The Red Cross
   B. The Emergency Medical Service (EMS)
   C. The Federal; Emergency Management Agency (FEMA)

3. **Which is the most effective way to plan for a disaster?**
   A. Implementing drills
   B. Having a written plan
   C. Posting evacuation maps

4. **Which is true regarding communication during a disaster?**
   A. Communicate in a calm manner
   B. Having multiple voices to communicate information
   C. Ensuring communication only with those who need to know

5. **How many disaster drills are required each year by the Joint Commission?**
   A. Two
   B. Three
   C. Four

6. **Which should be specifically addressed in a long-term care (LTC) facility's emergency response plan?**
   A. Communication challenges
   B. Notification of family members
   C. Designation of a command center

7. **Which is an essential piece of information for the long-term care (LTC) facility to communicate when coordinating relocation during a disaster?**
   A. The number of residents
   B. The plan of care for each resident
   C. The names and location of alternate facilities

8. **Which are three principles identified by the Institute of Medicine (IOM) for health care providers to follow during a disease situation to maintain ethical care?**
   A. Respect of autonomy, non-maleficence, and justice
   B. Proportionality, efficiency, and health maximization
   C. Fairness, duty of care, and duty to steward resources.

9. **During a disaster, what maintains as much liability as possible on the shoulders of the facility rather than on the caregivers?**
   A. following the facility's emergency preparedness plan
   B. asserting a leadership role rather than simply following managers' directions
   C. devising creative strategies to manage the disaster

10. **Which is an example of a situation necessitating the implementation of a disaster plan?**
    A. The nursery reports a missing newborn
    B. An active shooter situation occurs in the facility's main lobby
    C. There is a fire on the third floor of the facility necessitating evacuation.
